

Message Nine—Study Questions

1. What does the future of the Lord's recovery depend on? Also, tell us verbatim what the Lord's recovery is in one sentence (without looking at your notes).
2. What are the four main things that the Lord accomplished in the stage of His incarnation?
3. What are the three main things that the Lord accomplished in the stage of His inclusion, and what chapter in the New Testament reveals to us how we can participate in this stage?
4. What are the three main things that the Lord is doing in the stage of His intensification?
5. Christ as the sevenfold intensified life-giving Spirit intensifies His organic salvation to save us from what seven major items?
6. As we live and do everything in the Body, through the Body, and for the Body, what three habitual and vital life practices can save us from degradation, produce us to be the Lord's overcomers, and prepare us to be the bride of Christ?
7. What is the final outcome of the stage of Christ's intensification, and at the end of this age, what should be our desperate prayer?
